

# Jackson Pratt (JP) Drain Record Sheet

Your doctor would like you to record the drainage (fluid) from your JP drain(s). This will help the Home Care Nurse know when to pull out your drain(s). There is an extra record sheet for you to use on page 11.

<b>Date: Nov 17 (example)</b>				
<b>Time</b>	<b>Drain#1</b>	<b>Drain#2</b>	<b>Drain#3</b>	<b>Drain#4</b>
8:00 am	60 ml	30 ml		
12:00 pm	50 ml
